Company Profile

coombesaquatics.co.nz

Bringing your vision to life

Creating and transforming drawings and ideas into an enjoyable, unique, water or wellbeing space is what we love to do. Our team of dedicated designers and project managers, supported with BIM technology, allows our team to work with you, through the entire design, manufacturing, installation, training, customer handover, and management of your new water or wellbeing space.

Coombes Aquatics

Coombes Aquatics Limited (CAL) has been nationally servicing commercial, school, and residential swimming pool plant rooms for over 44 years. In recent years CAL's aquatic engineering proficiency has evolved into swimming pool, splash pad, sensory and wellbeing water spaces, steam, sauna, waterslide construction, and design.

Our Services

Our specialist services encompass ROCS Pool modular design and construction, ELBE watertight membrane, along with the installation of filtration, chemical, salt, and UV automatic disinfection systems. We have a proven track record in refurbishing, commercial, school, and residential pools, offering comprehensive servicing and plant room upgrades. Additionally, we provide expertise in heat pump and solar pool heating solutions, as well as MacBall thermal pool covers and reels, tailored for various pool settings.

Our portfolio includes the installation of interactive splash pads and waterslides, as well as sauna and steam wellbeing design and construction. We also supply manual and automatic pool vacuums for all pool sizes, along with grating, balance tanks, and equipment for swim racing and water polo.

Our Capabilities

Coombes Aquatics is a nationwide company, based in Christchurch with branches in Wellington and Auckland. Our Christchurch location includes a specialist engineering workshop, and stainless-steel fabrication facility, ensuring we are well-resourced to support projects of any size. We specialise in bespoke design, manufacturing, installation, project management, and health and safety support. Additionally, we supply MacBall thermal pool covers to several Australian distributors.

With over 44 years of experience in the specialist aquatics industry, Coombes Aquatics knows what works. We have developed many

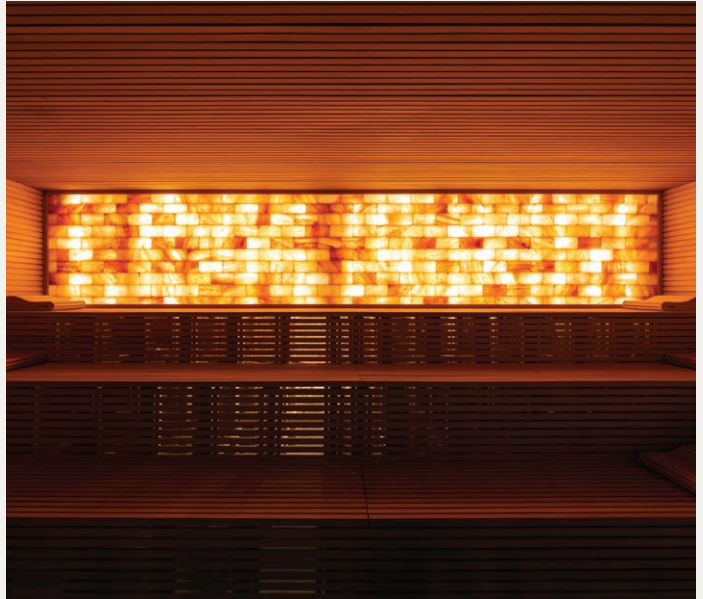

invaluable business relationships with National and International suppliers. We take pride in delivering high-quality, specialist, purpose-built products to the New Zealand aquatics market. Our international distributorships with renowned suppliers, like ELBE Pools, Aquatix Water toys, Stenner pumps, BECS Chemical controllers, BEST UV, and EOS Germany for sauna and steam, reflect our commitment to quality, energy efficiency, water sustainability and product durability.

Every project we undertake is thoroughly mapped out in a collaborative team environment, allowing us to work directly and effectively with the client, project manager, sub-contractor, or main contractor and deliver on time.

If you would like to create an exciting aquatics water park, serene home sauna or steam room, are managing a school or community pool, or wish to create a high-end luxury wellbeing sanctuary, our talented aquatics project team looks forward to working with you on your next aquatics or wellbeing project.

Call our team today to discuss your vision.

Featured Projects

WAI ARIKI HOT SPRINGS AND SPA

Wai Ariki Hot Springs and Spa, Rotorua

2021–2023

World class day spa, with multiple wai spaces, steam and sauna rooms that combine the healing geothermal waters of Rotorua with the rich legendary culture and Manaakitanga (caring hospitality) of Ngāti Whakaue. Water spaces, steam, and sauna rooms that are uniquely designed to stimulate the senses, relax, and rejuvenate.
